The Cambridge Dictionary Of English Names Based On The Collections Of The English Place Name Society

d9d56eaf481f0ef0f4c16f401ba1fe5d

A New English Historical Dictionary of the English Place Names, 3rd Edition

The Cambridge Dictionary of the English Place Names provides concise and clear definitions of all the place names in English. It is likely to be the standard work on the study of English place names in the future. The Cambridge Dictionary of English Place Names contains approximately 50,000 place names, including those from all regions of the UK and Ireland. The dictionary is divided into five sections: A-Z, B-C, D-E, F-G, and H-I-J. Within each section, place names are arranged alphabetically by name and then by date of recording. The dictionary provides comprehensive coverage, including many places that are not widely known or used in everyday language. The Cambridge Dictionary of English Place Names provides clear and precise definitions of the place names, making it an essential resource for anyone interested in the history and culture of the English language. The dictionary is available in both print and electronic formats, allowing users to access the information they need quickly and easily. Whether you are a student, researcher, or simply someone with an interest in history, the Cambridge Dictionary of English Place Names is an invaluable resource that will help you better understand the rich and diverse history of English place names.
